There's Something
 Gross

That is fine,

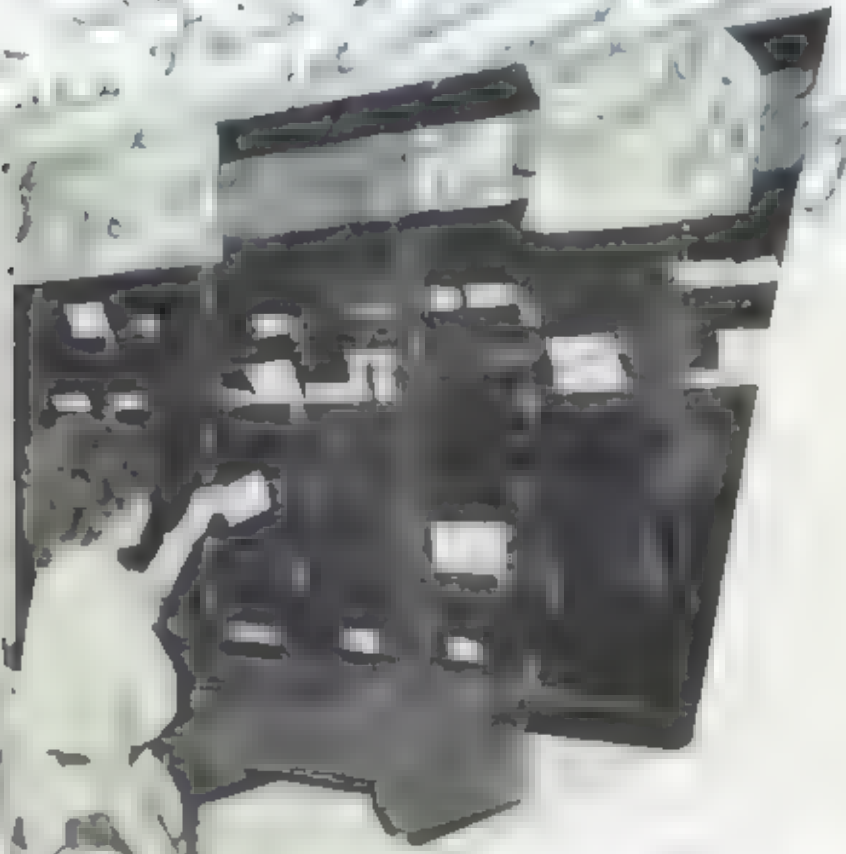

Yes, there is something
 about old Grossmont that is
 fine. It may be the surround-
 ing countryside filled with stu-
 dents united in education; it
 may be the campus; the ivy-
 colored buildings; the senior
 bench; the note rack—any of
 the familiar surroundings we
 know and love. But it's prob-
 ably the **spirit** that makes "Old
 Grossmont" what it is that

About Old mont fine, fine.

spirit—the people. This little
bird at the top of the page is
part of our spirit. He's a sym-
bol of it in this book. His

him, the spirit, show you how
you, the students, created and

With Sammie looking over bent shoulders and offering advice when needed, he and the Administration balanced the books, worked out school problems, and individual headaches this year and added another stone to the building of a better future through better education

STUDENT GOVERNMENT

Ever striving for a better understanding of our National Government, our school has developed a form of Student Government recognized and honored by the Freedom Foundation. With the aid of Mr. Warburton, advisor, Sammie the scholar, and Student Commissioners, our Government has been organized with great care. Also working in harmony are the Upper House, Student Council, and Student Court.

We'd like you to know about the people who get almost no glory or recognition for their long tiresome jobs. They do all the jobs left by the commissioners when their desks overflow with important work, and ask no special favors. They only want experience, which they certainly get.

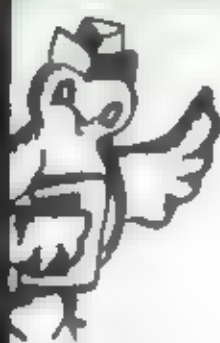

Reaching to every student through home rooms is a very successful way of getting everyone's ideas on current school problems. Student Council is similar to the House of Representatives in the National Government. Vice President Bernard Gerospe, with the aid of Sad Sammie, ruled over Student Council.

Seniors, Juniors, Sophomores, and Freshmen, and even Sammie are represented equally in the Upper House. Officers from each class are brought together here to discuss school problems.

Seen with their real snappy beanies, this group was responsible for the well known school spirit this year. Their cheering sections were really appreciated by our teams. Along with this, they found time to help with Pep Assemblies.

CARD TRICKS

Shouldering a big headache, this committee took on half-time entertainment with the audience participating. Long hours were spent working on this really hard job

TICKET SQUAD

This squad comes under Finance and is in charge of all tickets sold at school. Headed by Caret-Golusha and Mary Clark, this group takes care of all home games, A.S.B. dances, and school concerts. Tickets can easily make people go mad—ask the ticket squad, they know

STUDENT COURT

Their job is to try persons who are guilty of committing offenses against the school rules. Sammie hasn't had the name of "Jail Bird" pinned on him yet. We think he's a typical law-abiding citizen

Purpose—"To serve loyally, to build firmly, and to preserve carefully the highest ideals of citizenship and school spirit in the Grossmont Union High School; to establish for each student a sense of responsibility which not only begins, but finishes each task; to establish good fellowship and loyal friendship with and for each member of the League; and to work unceasingly for the highest standing and progress of the girls of Grossmont."

These are the aims of the Girls' League. Under the slogan, "Unselfish Service," the League was first organized in 1922 and since then has grown rapidly in its program for serving the girls of the school in many ways.

Activities—Service to the school is accomplished by traditional activities such as the following:

1. Information-guide service to incoming new pupils
2. Christmas giving campaign
3. Christmas Pageant ushering
4. Tea honoring faculty women
5. Enforcement of Dress Regulations

This year they sponsored the first annual "TWIRP WEEK" which proved to be very successful. The events of the week included a fashion show for the girls, and assembly on military service for the boys, baggage day, Ladies and Gentlemen day, and a dance, the Twirp Twirl.

SENIORS

Little Sammie has had a busy time this year keeping up with our active Seniors. But he's taken special pains to attend everything, since our class will be the last and largest full Graduating Class from Grossmont before the school is divided. Little Sammie attended the Senior Banquet and ate his fill with the rest. From there he attended Ditch Day and was a little more than waterlogged from that experience. Then the Prom, and he was there in tie and tails with his ladyfriend. And, finally, with tear-filled eyes, he walked down the steps with us at Graduation

SENIOR DITCH DAY AND BANQUET COMMITTEES

This year's banquet was really fine, closed bid to seniors only. It gave them a chance to have fun and talk about old times before leaving. Senior ditch day was still a secret when the annual went to press, but the committee working on it says that all who go will really enjoy it

*"Where oh Where
are the Grave
Old Seniors?"*

CAP AND GOWN, AND GRADUATION COMMITTEES

Making this year's graduation a more beautiful graduation, these two committees worked really hard to make this a time the seniors would long remember. The Cap and Gown Committee suited us up for our final step into the future

SWEATER, GIFT, AND ANNOUNCEMENTS

Sweater Committee garbed us late in the year with the traditional blue senior sweaters, while the Announcement Committee helped the class pick out announcements that will be long remembered. And the Gift Committee decided to leave good old G.U.H.S. a basketball score board. Money for the score board came from the senior play, "The Late Christopher Bean."

"Anything you can do . . .

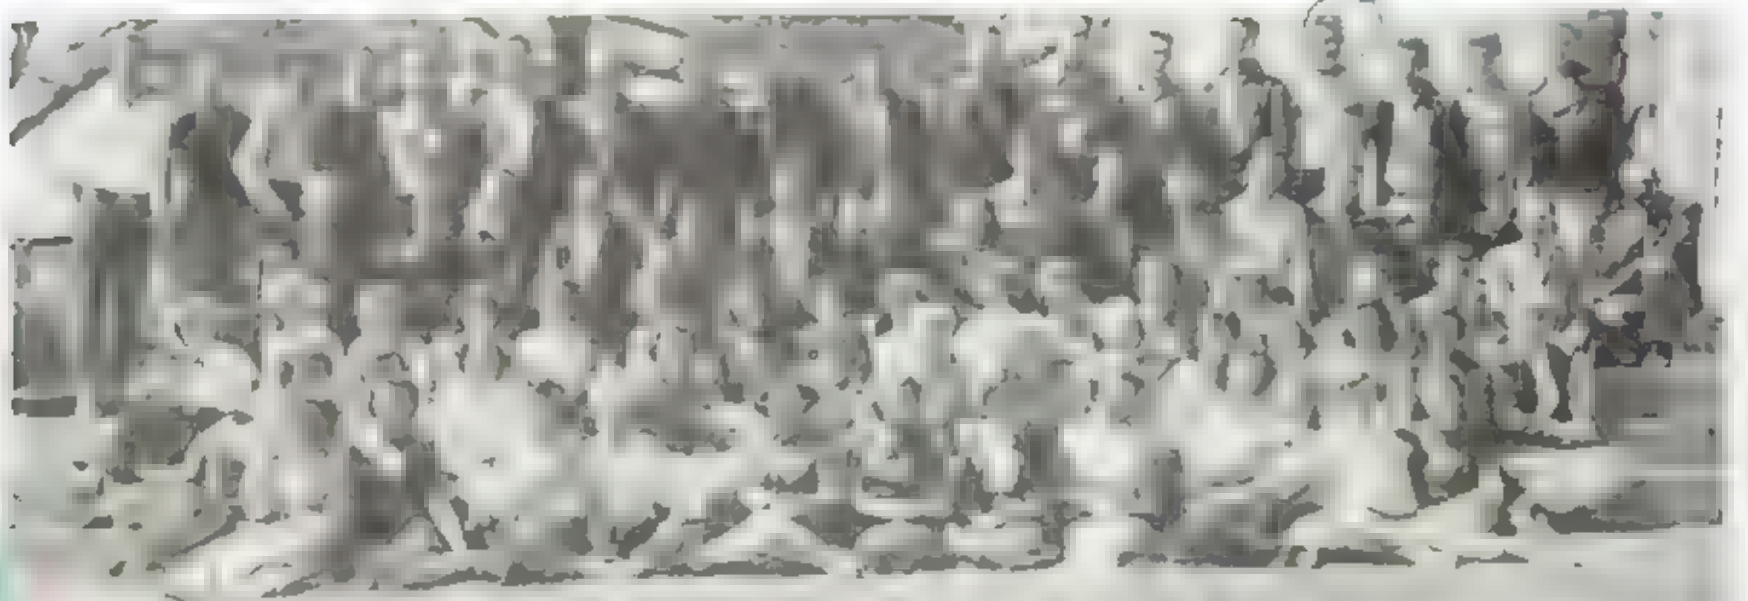

We're very proud of our Juniors this year. They were responsible for our wonderful Prom. And not only that, but Sammie tells us that the Juniors sponsored a Talent Assembly and put over a very successful Junior Dance. We know that they will be a very capable group to turn the wheels of progress next year.

With the sounds of "Apple for the Teacher" and "Shoe Shine Boy" still lingering from Slave Week, our little friend Sammie, tells us that this class is really an up and coming class. Headed by very efficient officers, we know that we'll be hearing a lot from this group in the very near future.

With such a large class starting out this year, there was need for more than one counselor, so there were six teachers named to solve the freshmen problems. Mr. Warburton, Mr. Wallis, Mr. Barnett, Mrs. Brown, Mrs. Lazar and Miss Jenkins.

My dear Mr. [Name]
I have just received your letter of the 10th inst. and am
glad to hear that you are well. I am
very much interested in the [Name]

CHRISTMAS STORY

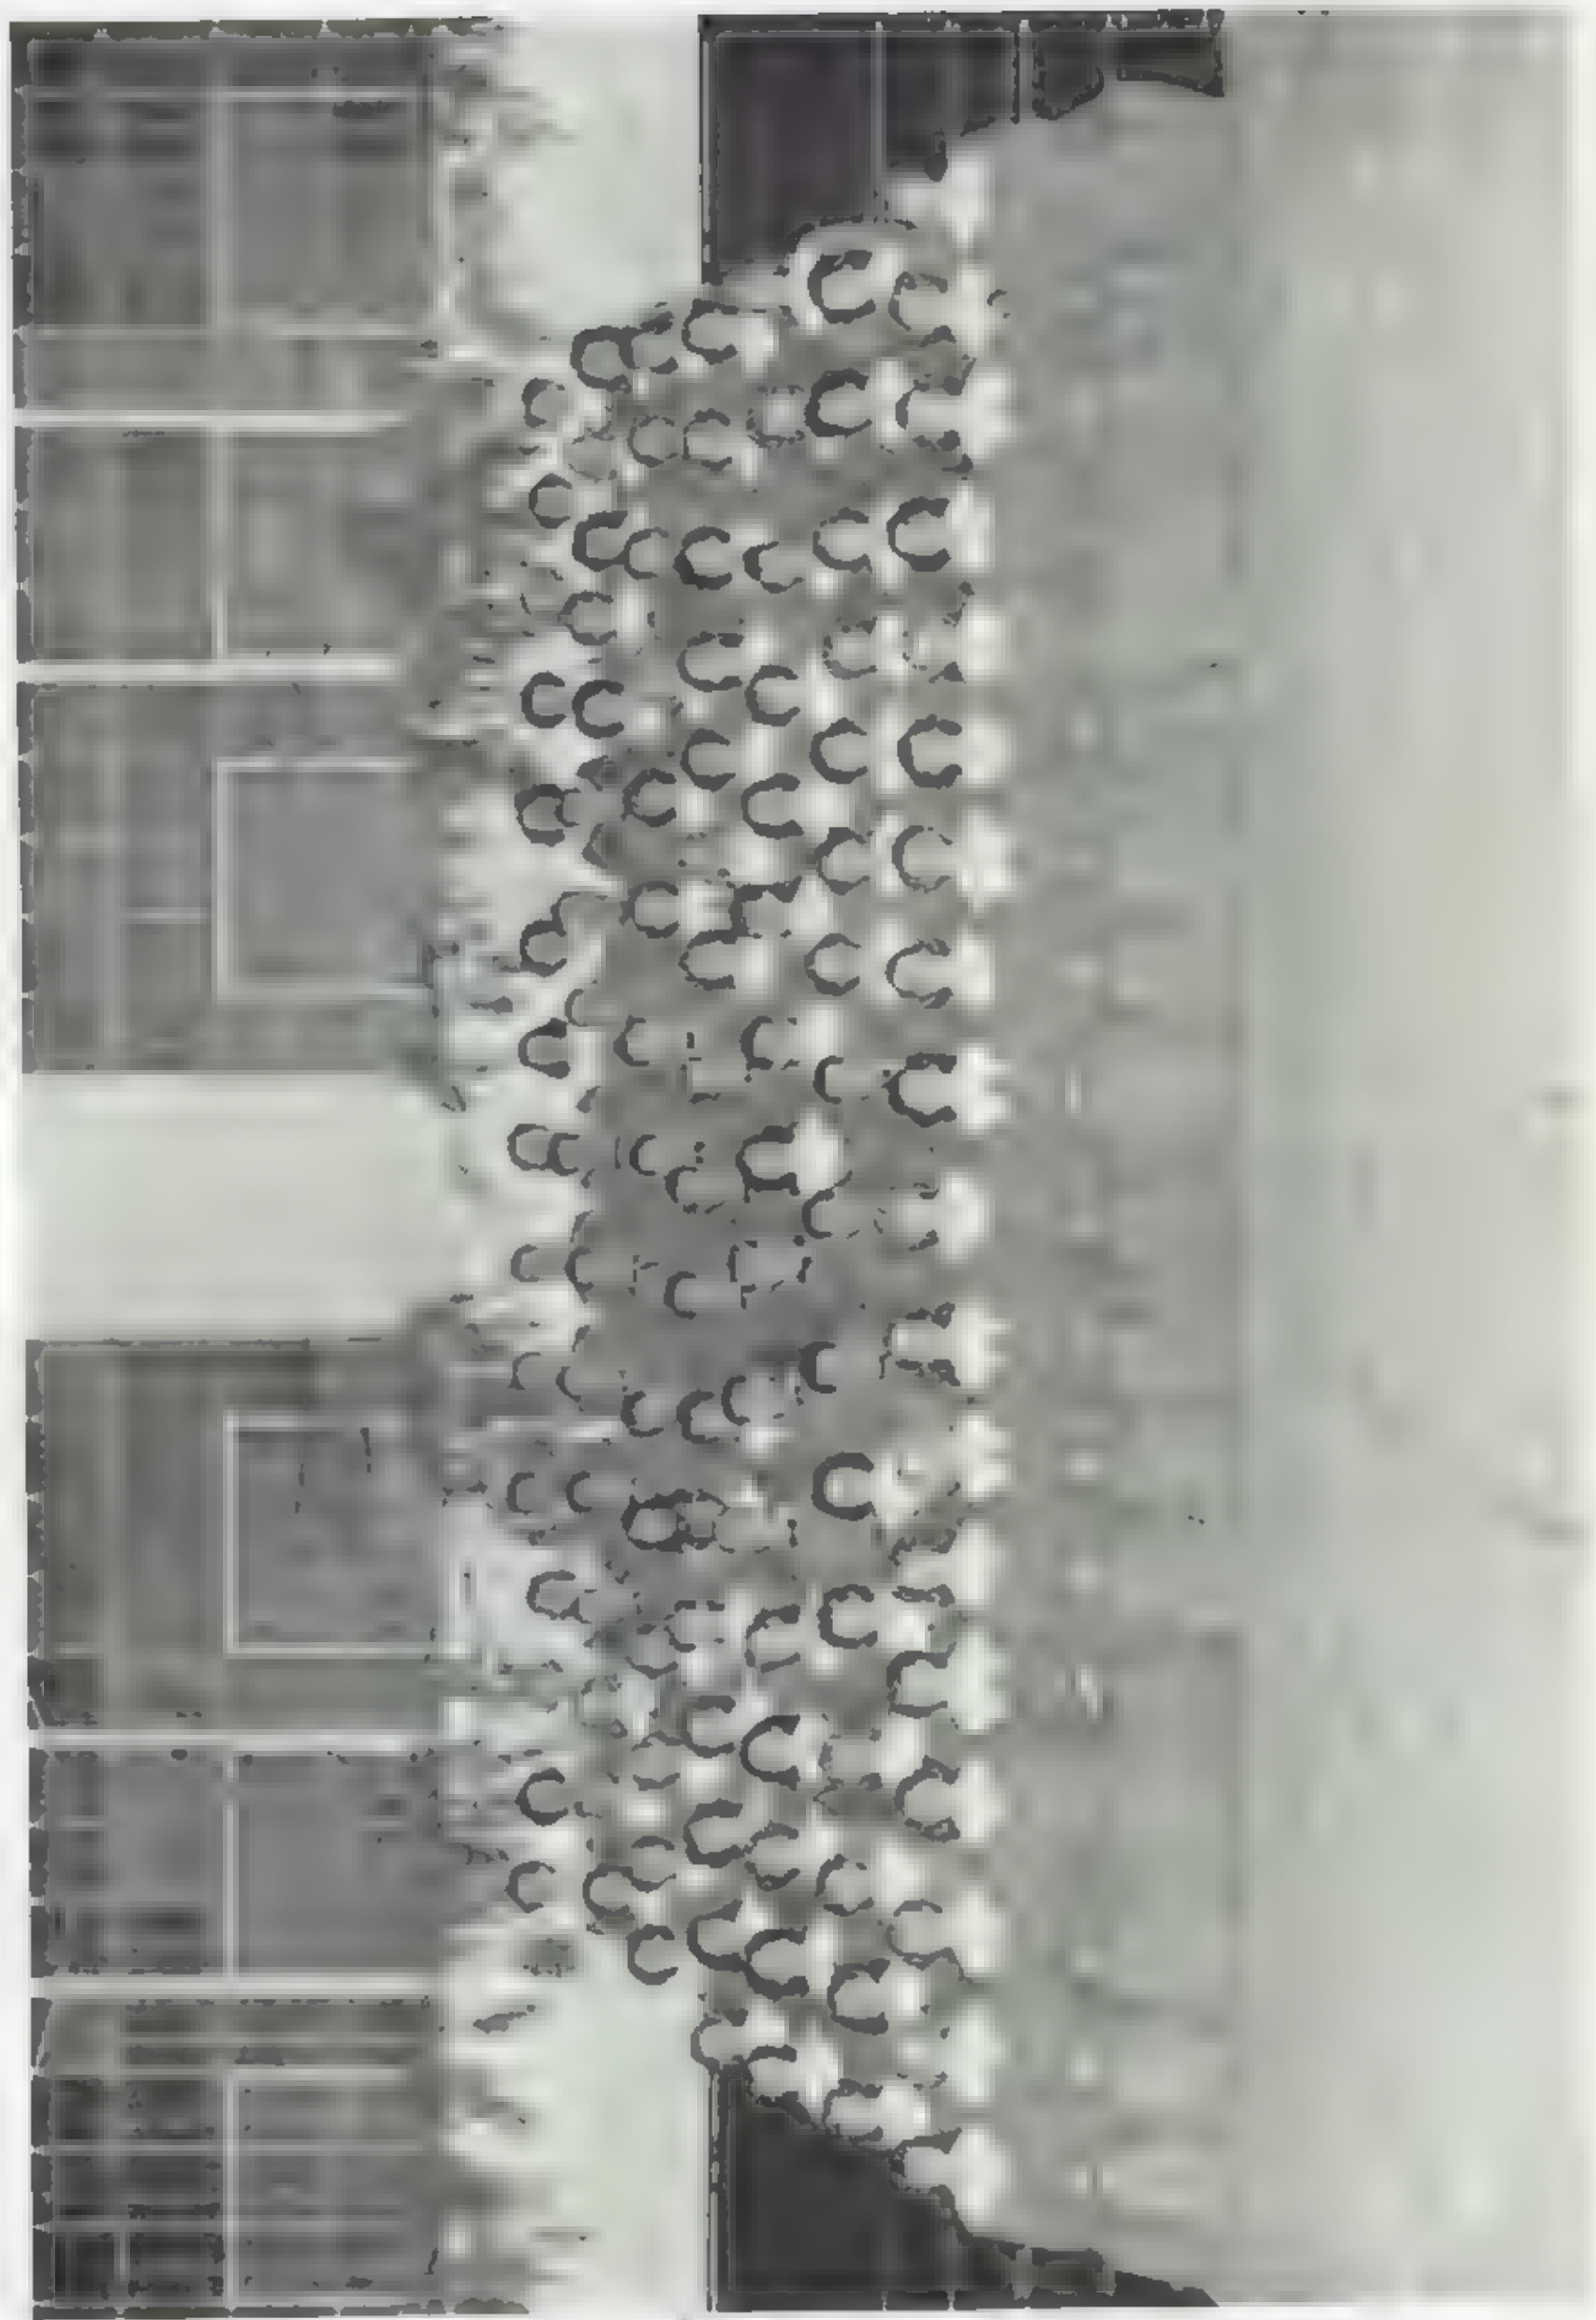

Jesus

With the strains of 'Be My Love' and 'Light Celestial' trying vainly to harmonize, Sammie introduces you to the 'Red Robed Choir'. In the sopranos we hear the faint sound of a ukulele, and the altos are holding a knitting contest in their corner, while the boys are holding a gabfest on current sports. But even with all this, the choir has had time to take part in many programs under the direction of Mrs. Merle Donahue, assisted by Gena Evans. The programs included the Easter Sunrise Service and Redlands Conference, the choir also contributed greatly to the annual Christmas Pageant. Choir officers for the year were: Red Robed—Pres. Shirley Graham, Vice Pres. Gail Wisn, Sec. June Echeverri, Treas. Mary Ann Smal. Concert Choir—Bill Bysman and Glen Winterrod, Sec. Carole Lee Vallin.

Strange Music . . .

Sammie really liked this class. he had a chance to show the girls what he could do and even sang with them when given the chance. These girls worked hard and were always available for local club benefits and programs. They also entertained the servicemen at their W.M.C.A. and placed in the Long Beach Music Festival.

This group is the combined effort of the Senior and Junior g.ees under the direction of Mrs. Gena Evans. These girls are brought together through their common interest in singing. Music arranged by Mr. Lutz was successfully accomplished by these interested and willing pupils.

Fiddle, Faddle

This group is made up of the finest players in the school. The class is devoted to the detailed study of some of the major string orchestra works of famous composers. The group was presented in two concerts this year. The majority of the students in this ensemble are seriously interested in making music either a vocation or at least an avocation.

Three of its personnel, the two violinists and the director, Mr. Lewis, were members of the San Diego Philharmonic Orchestra this year.

Climaxing the year with the Spring Concert, the orchestra brought high acclaim again to our school as it has so many times in the past. The orchestra won praise for the difficult, unusual, and very beautiful works composed and directed by our own Mr. Lutz.

Sammie had to get a supply of cotton for sixth period. That was the time set aside for the Annual Staff to meet. What a meeting! Everyone trying to talk at once and no one listening to anyone else, and Dixie trying to type, but usually ending up with typewriter ribbon all over the floor.

Once in a while we'd see two lost souls come wandering in and they'd ask us how the Sports and Clubs were doing and then they'd wander out.

But the darkroom! That was the meeting point of everyone in school. "How's my picture," "Gee is that me?" "Oh no, you just have to take my picture over." Then there was the time, just before deadline, that we lost thirty-five negatives and had

to retake pictures. Retakes were so frequent that the people in the pictures could line-up in position without our help.

Oh yes, lining-up. Boy, that was a job, we thought the Freshmen were going to be bad when we took their pictures, but you know those juniors, they can't ever be outdone. You might hear something similar to this, "Will you please put your hands at your sides?" And then you'd see the boys with their arms draped around each other and a couple of girls waving to their pals in the background, what a time.

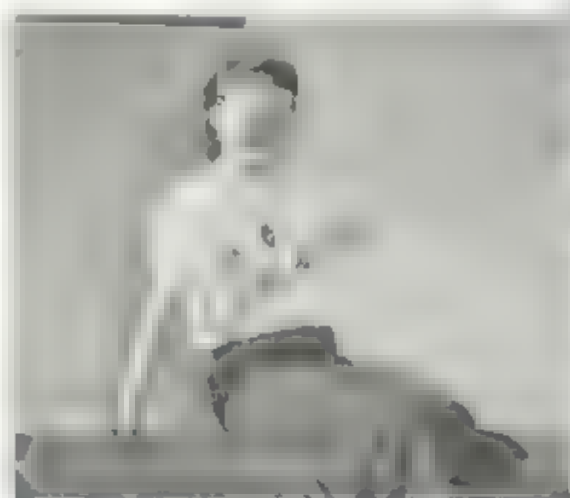

Then there was the time and oh what a time, that, oh well, we better save some room for the hardworking staff pictures.

SPEECH

Beverly Hills, Redlands, State College, and Lions Club contests all left Sammie completely exhausted, but this year's inter-school team never seemed to let down "Uncle Robbie" Kuykendal, the advisor who had the diplomacy and fortitude to keep it all going, deserved a trophy himself, and got one! Winding up a successful award-winning year with the Annual Speech Banquet, Sammie let out a sigh of relief and sat back to relax so he'd be able to suffer through with next year's gang

INTER-SCHOOL SPEECH CONTESTANTS

Attending contests up-state and down, these students brought glory home to G.U.H.S. in the form of first, second, and third places in varied competitions.

DEBATE SQUAD

Research, practice, and untiring effort kept the debate squad in top shape as Sammie argued with them in each step of this year's question "Resolved: The U.S. should reject the welfare state."

NEWS BUREAU

Publicizing our school, Sammie worked with the news bureau and sat back proudly as their efforts were rewarded. The frequent stories in various newspapers and magazines were a source of never-ending glory for dear old Grossmont.

ATHLETICS

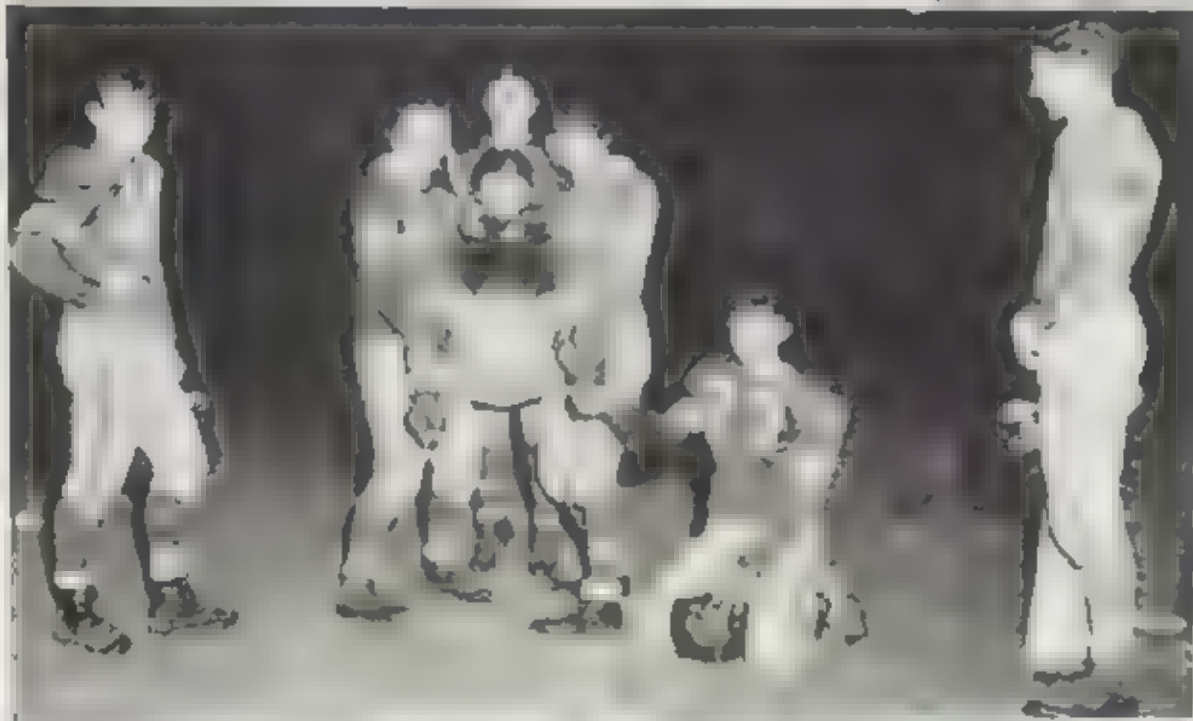

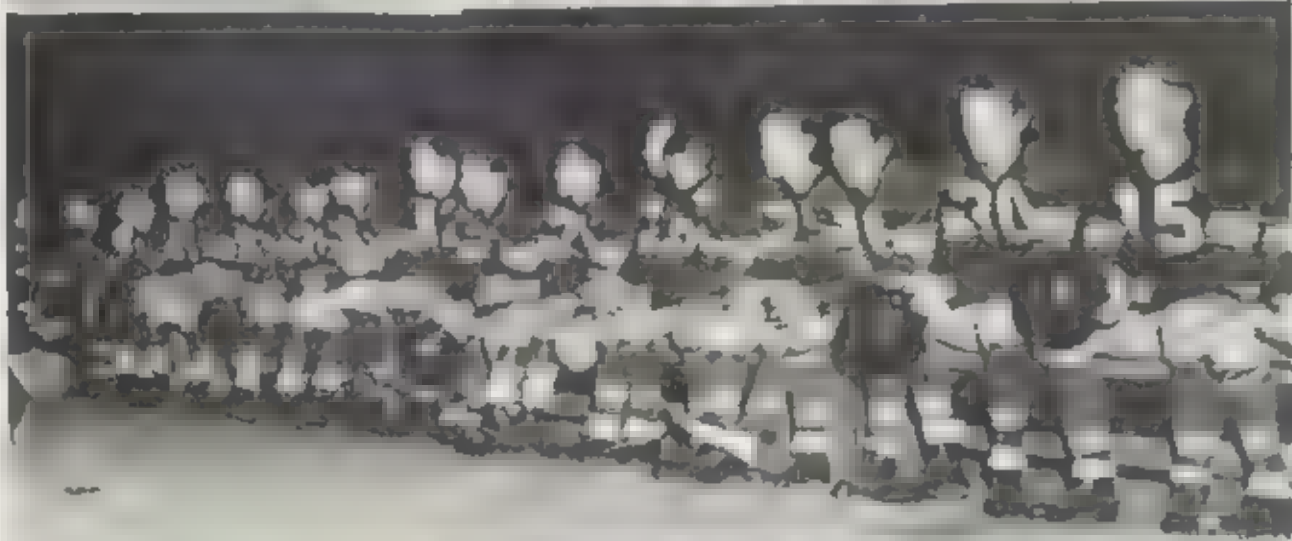

Completing their last season as one school, the athletes of the Grossmont Union High School District are leaving behind them a season of outstanding competition. During its initial season in the City Prep League, the Foothillers opened the year with a third in Football and followed this with runner-up position in Basketball. Track again notched a third in the standings. Opening the eyes of many sportsmen of San Diego was the Baseball squad who went through the season with only one defeat to collect the championship berth and a spot in the S.C.I.F. playoffs. We also had a winning Tennis team.

GOING HOME AFTER A HARD DAY OF PRACTICE

"Til The Last Down"

I get a Kick Out of You

This year's varsity football squad was a green, inexperienced, but determined group of boys. It was on the hands of Coaches Lee Bogue, Ken Maynard, Ralph Chaplin, and Walt Barnett, to start from seven returning lettermen and fashion a top-notch ball team.

Throughout the season, co-captains Dave Saras and Bob Lemmon were forever gaining respect and admiration for their fight, hustle, and determination, especially when the chips were down. Lemmon was selected on the second team of the newly formed All-City League, while Saras received honorable mention and was elected most valuable player by his teammates. Frank Branlich was decided on as the most improved player.

Ronald Humphrey, whose hard hitting defense and powerhouse ball packing jolted many opponents, was decided upon to hold down a first string All-City backfield berth.

The team ended the season in a tie for third place with the Hoover Cardinals.

Other Teams May

As was expected, the Foothillers got off to a slow start against the Chula Vista Spartans. Although the team was green, no one expected Grossmont to take a 25-0 shellacking. Lead by quarterback Vern Dodds, Chula Vista's offense continued to click

Chula Vista 25—Grossmont 0

Coming back with new determination, the Blue and Gold squad got on the winning track with their traditional rivals, the Sweetwater Red Devils. The unveiled spirit of the Foothillers proved to be too great and they rolled to a 19-12 victory

Grossmont 19—Sweetwater 12

The game between Grossmont and Saint Augustine was highly offensive for the Foothillers with the ever-improving line blocking and tackling with new vigor. Penalties, however, hampered their chances for a high scoring evening

Grossmont 7—Saint Augustine 0

The Grossmonters had their first high scoring evening when they played host to Kearny, underdogs of the newly-formed City League, and officially opened league play. Having control of the ball most of the time, the Grossmonters won the game, 19-0

Grossmont 19—Kearny 0

Fight to the End . . .

In taking their fourth consecutive win the Foothillers had to upset the highly vaunted gridsters of Hoover High. Swiping the ball during mass confusion, Ronald Humphrey, Grossmont fullback, rambled into pay dirt and the deciding tally of the game

Grossmont 12—Hoover 7

Although playing what was considered their best effort of the season, Grossmont's win streak was cut short when they ran into the league champs, San Diego High. A lazy five minutes caused their downfall and San Diego's gain

San Diego 20—Grossmont 7

Having been slowed down by San Diego the Foothillers were hampered by their tightness and want of a secure hold on second place. Having the psychological edge, the La Jolla Vikings, led by Omer Ruiz, trounced the Grossmonters in high fashion

Grossmont 0—La Jolla 30

The Grossmont grid machine ended league play with a scrappy loss to Point Loma. It wasn't until the second half that the fury of the Foothillers was completely felt, but it wasn't enough to overcome the lead piled up by the Lomans

Grossmont 19—Point Loma 30

Traveling north for their final game of 1950, the Foothillers were met by the overwhelming speed and power of the Bakersfield Drillers. Scoring only once on a long pass from Norman McDonald to Greg Pearson, the Grossmonters were downed 38-7

Grossmont 7—Bakersfield 38

In order to improve the oncoming crop of football material the junior varsity was combined with the varsity for the first time in the history of Grossmont. The plan proved very successful and is sure to have a scrappy bunch of seasoned veterans on next year's varsity.

This year's freshmen-sophomore graders turned in many outstanding games under the direction of John Hancock and co-captains Richard Bronson and Carlos Fackrel. Among their more outstanding games were a 44-2 victory over Ramona J.V. and a 13-0 triumph over San Diego.

"Are we going to beat Hoover?" This resounded at pep assemblies and rallies. Our cheer leaders really out did themselves in spirit this year. Headed by Don Barnes, the kids really got the students worked up over the games, and attendance this year was at its greatest. **Backing the team was the main objective, and everyone wanted in the act.**

Not forgetting the song leaders led by Eda Gates. The girls were on hand to lead audiences in rousing songs, some of which were written by our own Mr. Lutz. They lead the inspirational hymn after each game and were always ready with a song when the chips were down.

Here's to our song and cheer leaders, they turned in the job and received a "well done."

Strike Up the Band!

In the faint distance could be heard "Our Color's Blue and Gold," and rounding the corner, coming into view, was the famous Grossmont Blue and Gold Band. Walking up to accept the trophy was Mr. Lutz, director. This was one of the many scenes that took place this year. We had a winning band wherever we went. Our school is very proud of Mr. Lutz and the spirit that the students showed who participated

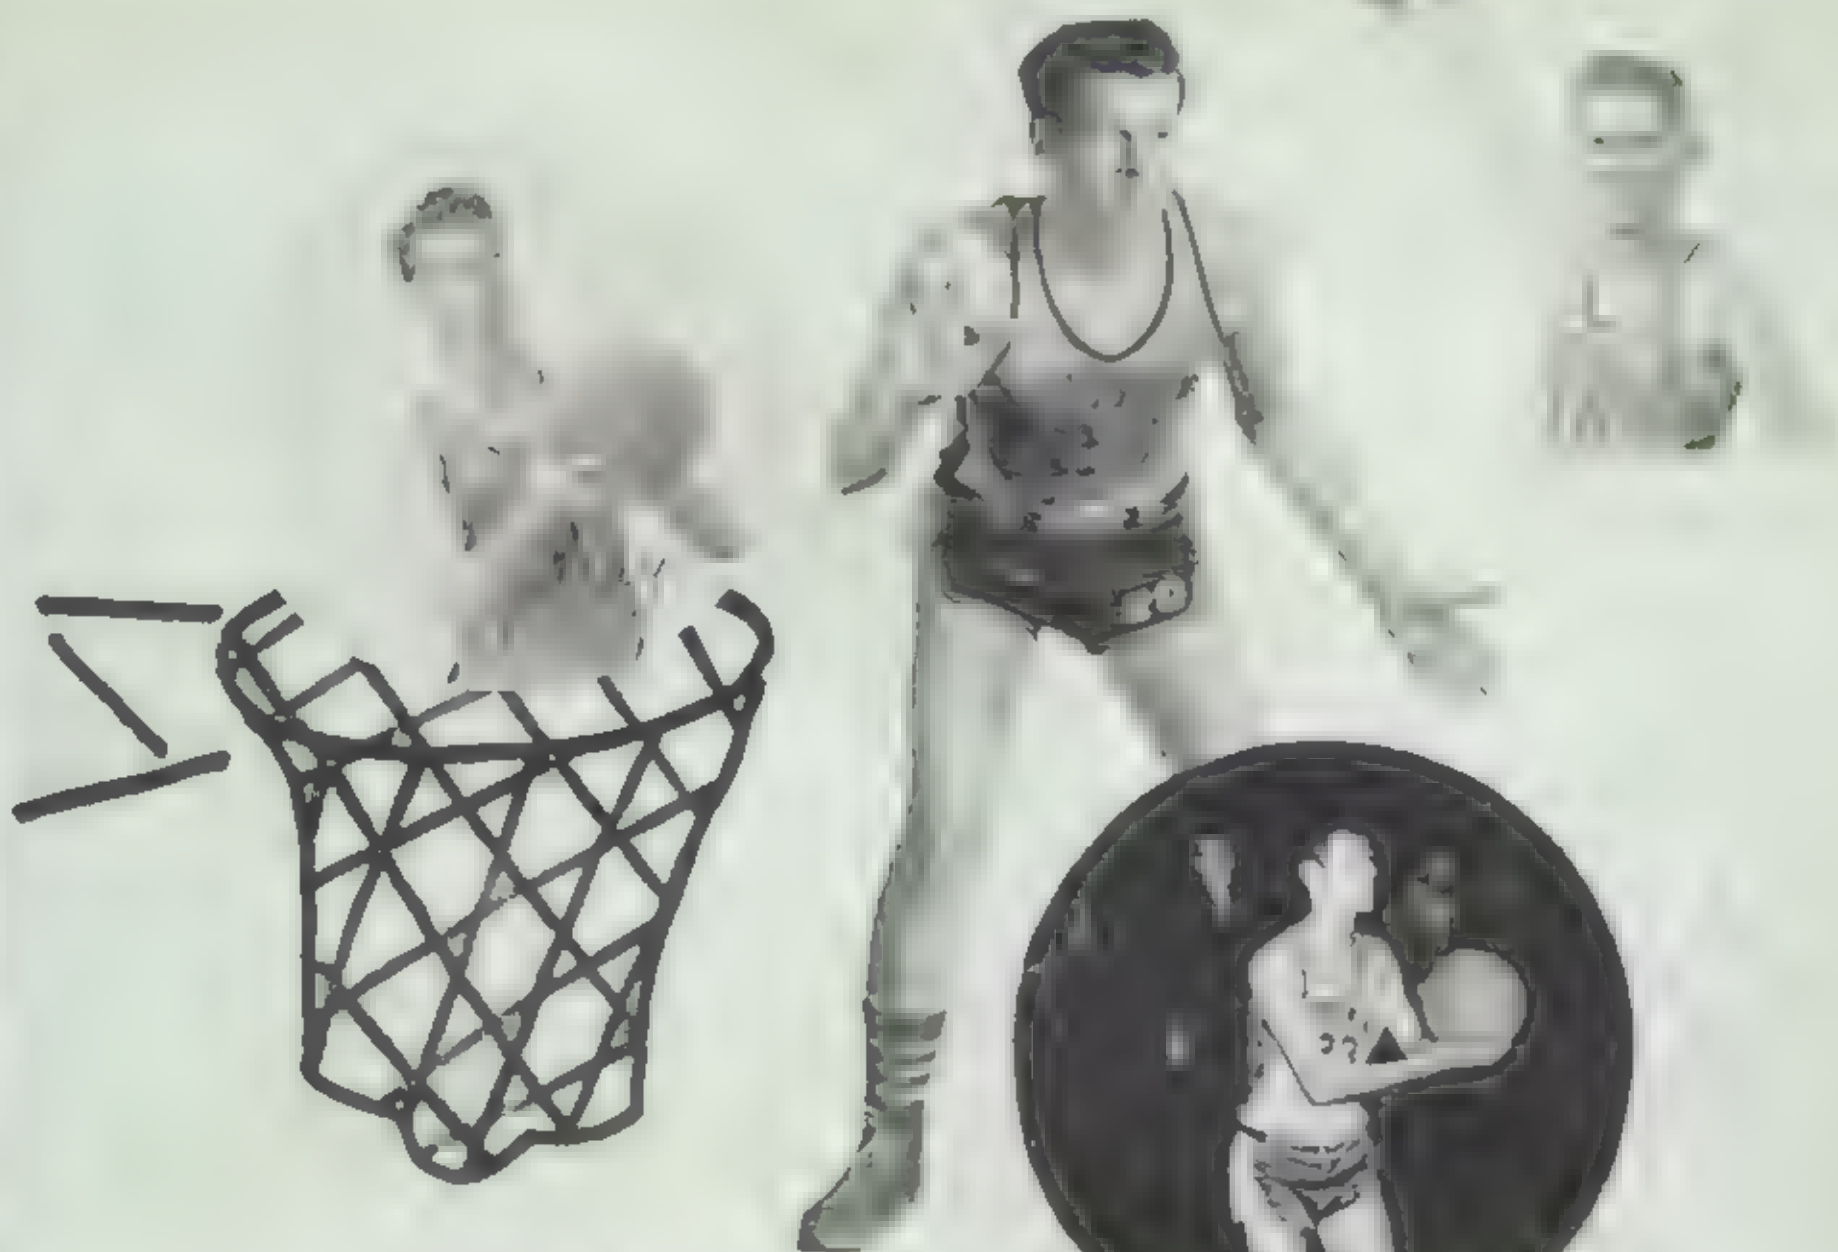

Rounding out a successful basketball season, the Grossmont varsity hoop squad bottled its way into second spot in the City League standings. Led by Coach Ralph Chaplin, the Foothillers fought their way to a 7 win, 3 loss record for City League play.

Ray Preston was voted as the team's most valuable player and his record explains the reason. His determined play and outstanding scoring set him second in the scoring of the league and earned him a berth on the first string of the All-City squad.

Co-captains of this year's cagers were Bob Rand and Manual Byrd. Rand was selected on the second string All-City along with teammate Chuck Lehmkuhl while Noel Mickelson earned honorable mention.

Lehmkuhl was winner of the coveted Funk Trophy and being only a junior will be back for a second shot along with Mickelson.

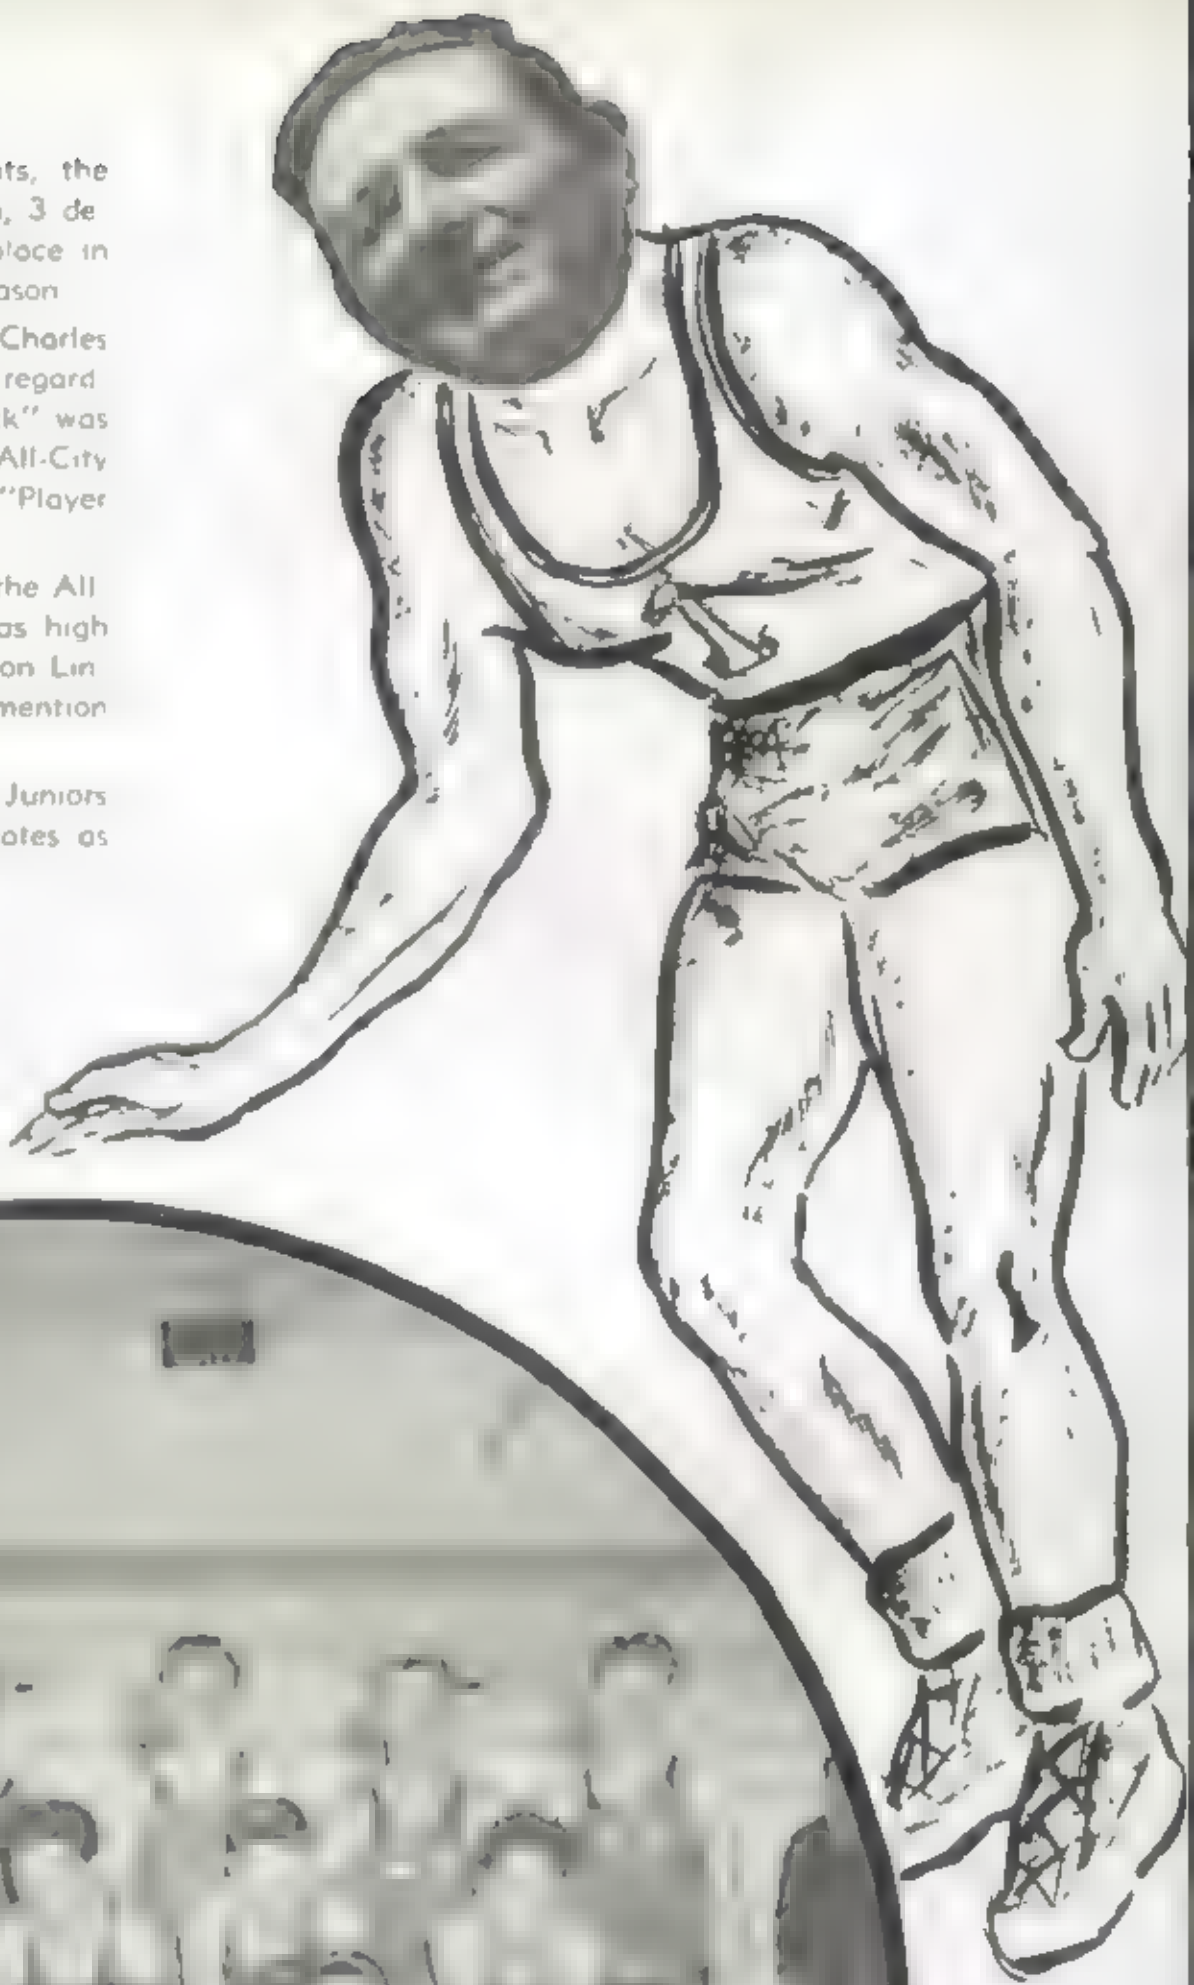

Setting a rapid pace for their opponents, the "B" hoopsters battled their way to an 18 win, 3 defeat record and ended in a tie for second place in the final standings for a highly profitable season

Leading the league scoring was Foreward Charles Opp with a total of 141 points. While being regarded as the teams most valuable player, "Chuck" was entered in the records as first string on the All-City and ended his high school career in a tie for "Player of the Year" award

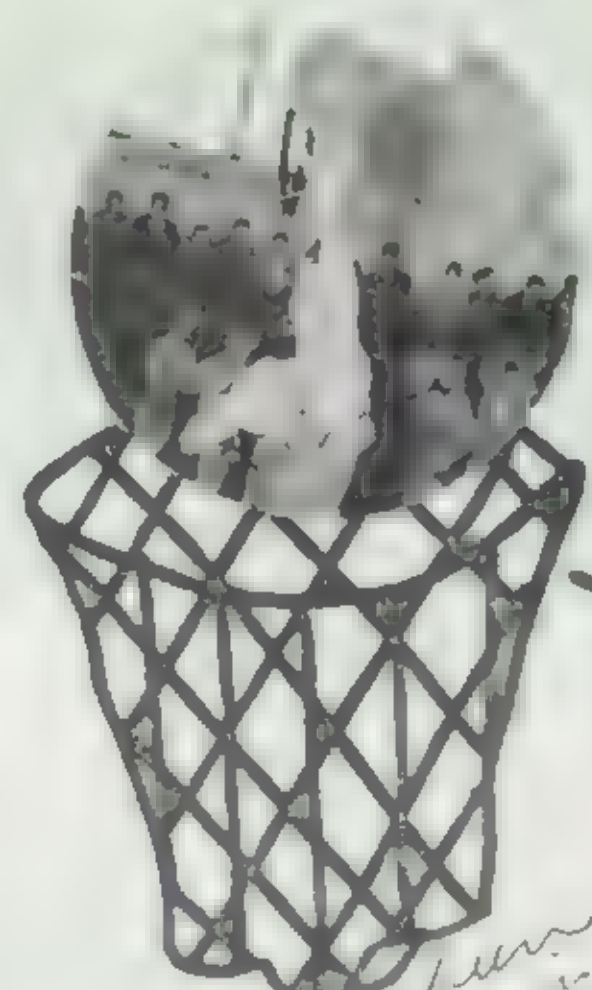

Earning a place on the second string on the All City unit was Ronald "Lefty" Kinast who was high point man on more than one occasion, and Jon Linscott and Bob Carpenter received honorable mention for their efforts

Carpenter and Maurice Altshuler, the only Juniors on the squad, were selected by their teammates as co-captains

This year's power-packed Cee hoop squad had the most successful season, under the leadership of Coach John Hancock, that has been witnessed in recent years. Led by sharpshooter Jerry Clark, who bucketed 148 points, the lighties ran up a total of nine wins against only two defeats

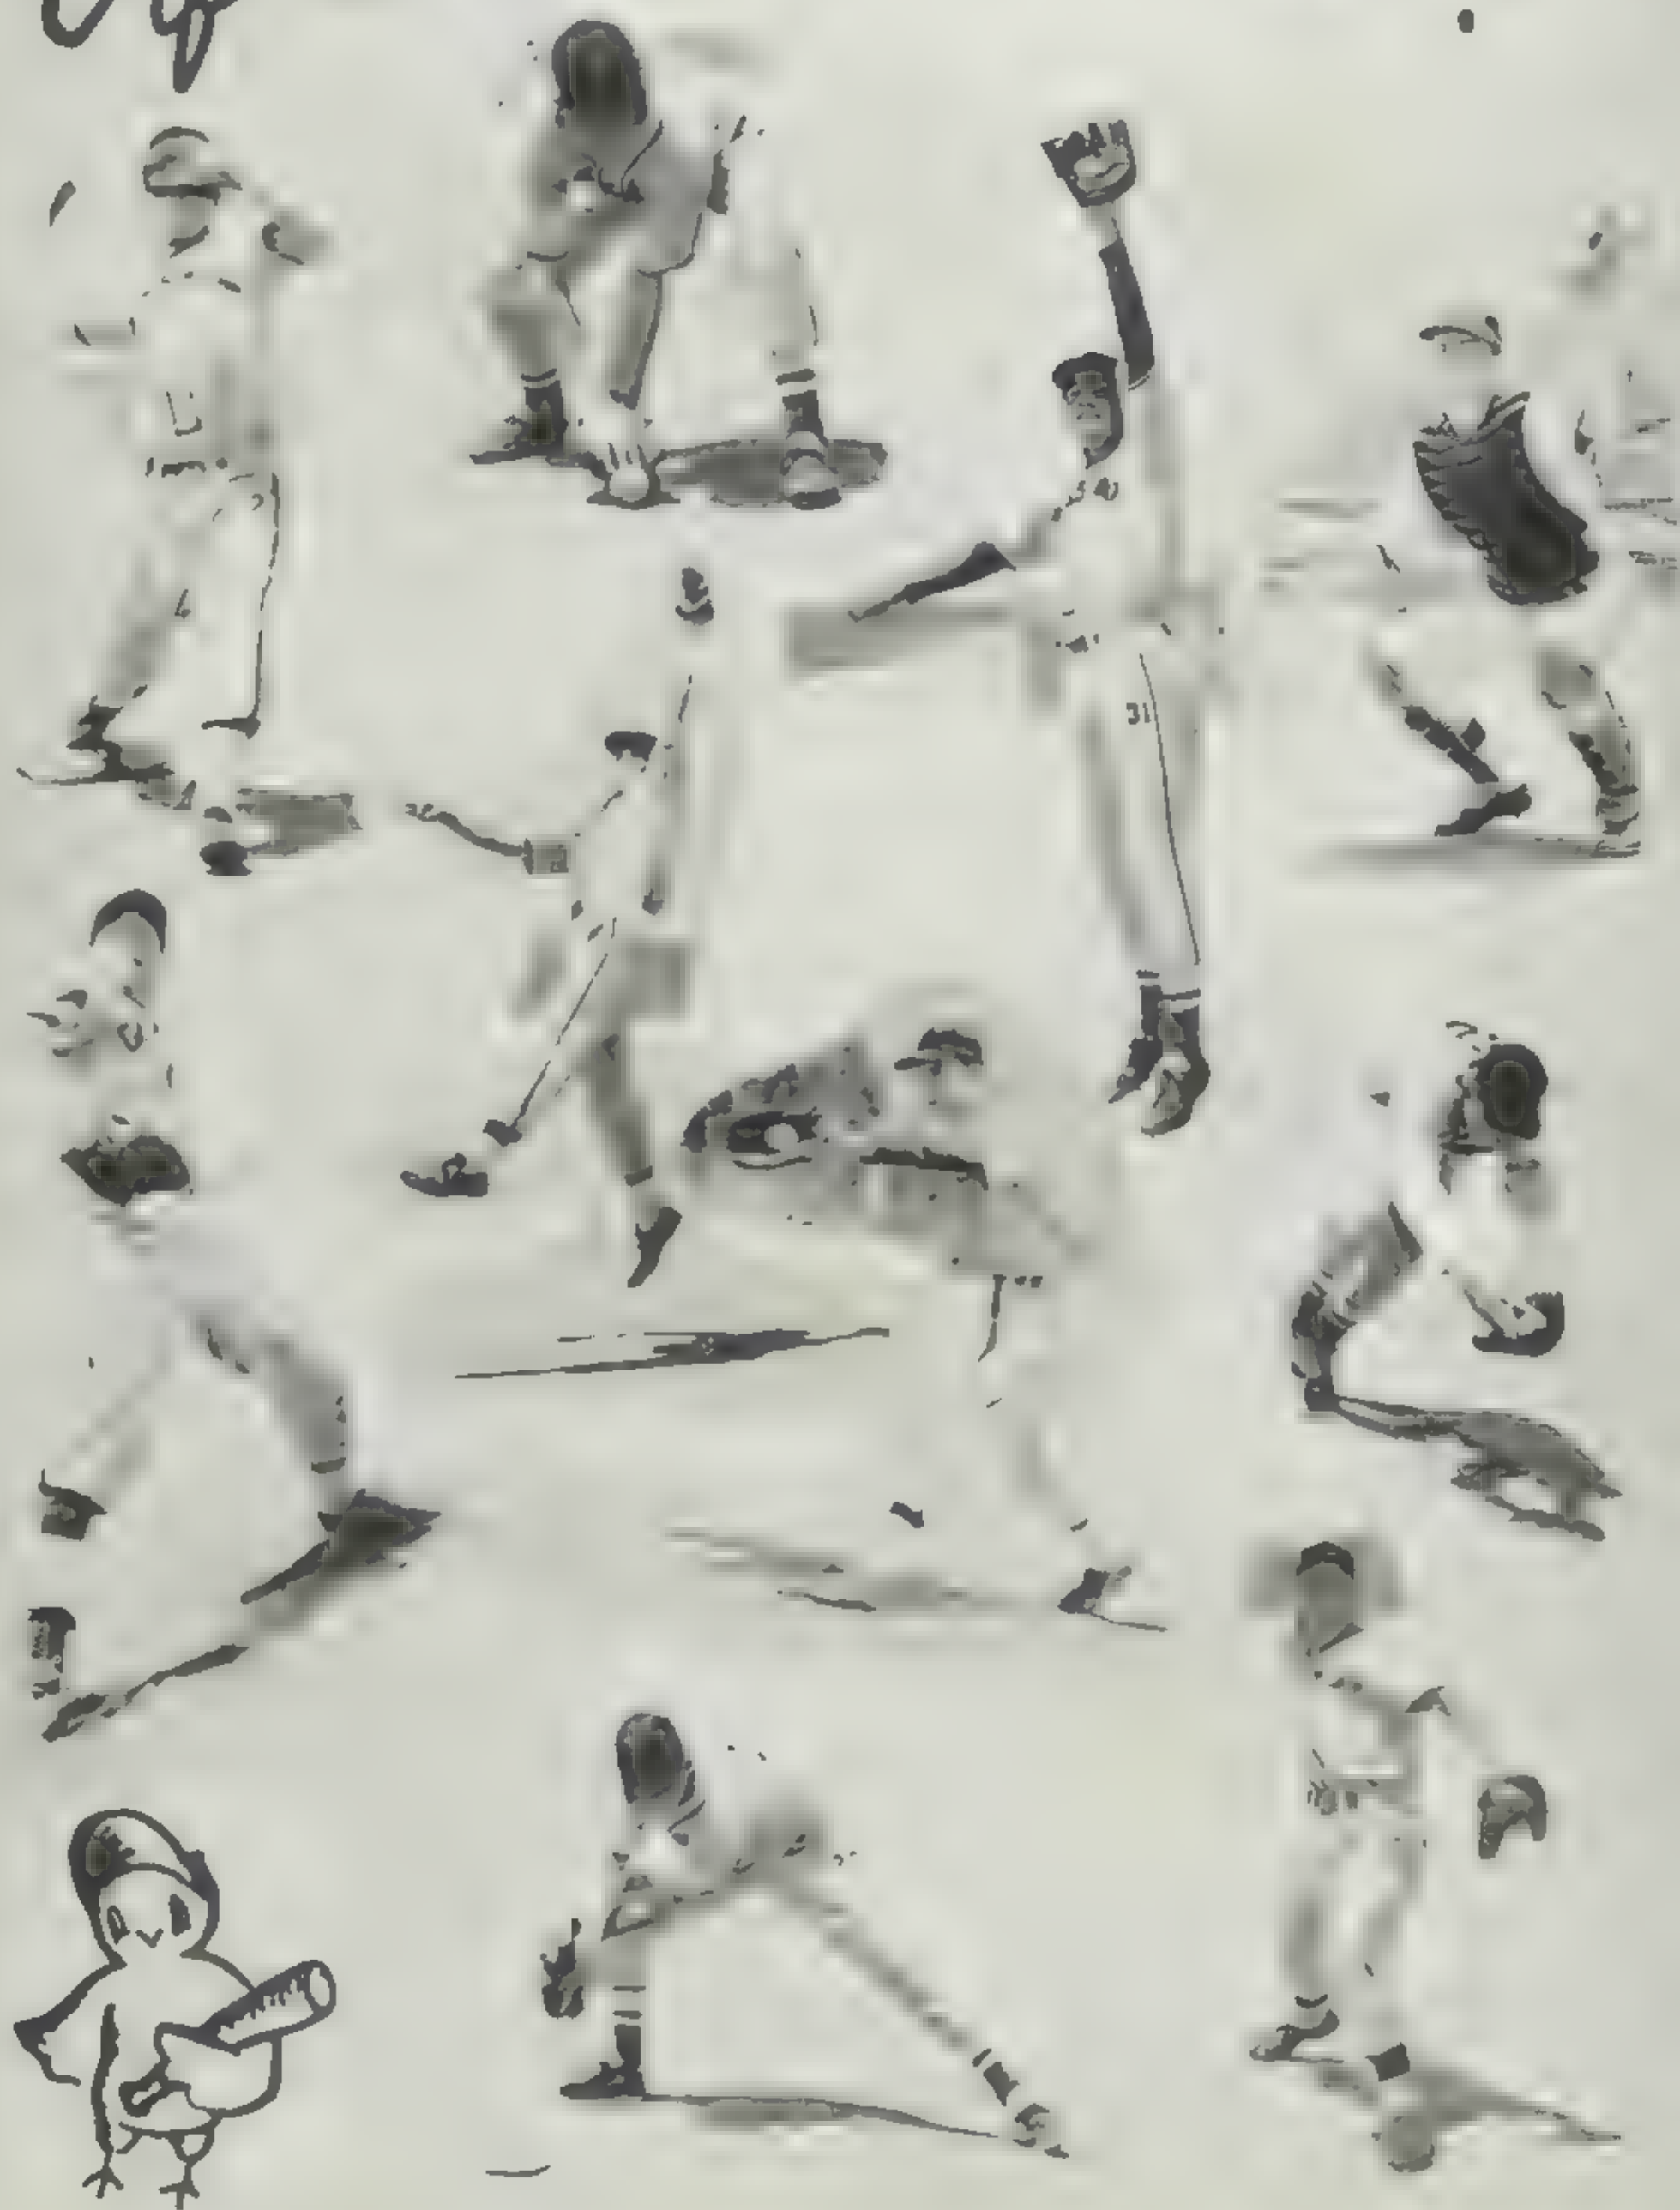

Taking second place in City League, the tennis team this year worked industriously to perfect their game, and in so doing brought honor home to old G U H S

The Big Cage Gallop

"After the Ball!"

Varsity Drag!

The outlook for the 1951 baseball season was much brighter this year than in 1950 having a returning crop of five lettermen, two being Bob Rand and Ray Preston, both choices on the All-Coast roster of 1950

Coach John Hancock had little worries about where his pitchers were coming from with the return of Preston and Frank Wilburn. Noel Mickelson, up from the J V, showed promise of big things with a fine chucking exhibition against the Champion La Jolla Vikings in the Lions' tournament, which he lost in extra innings 3-2

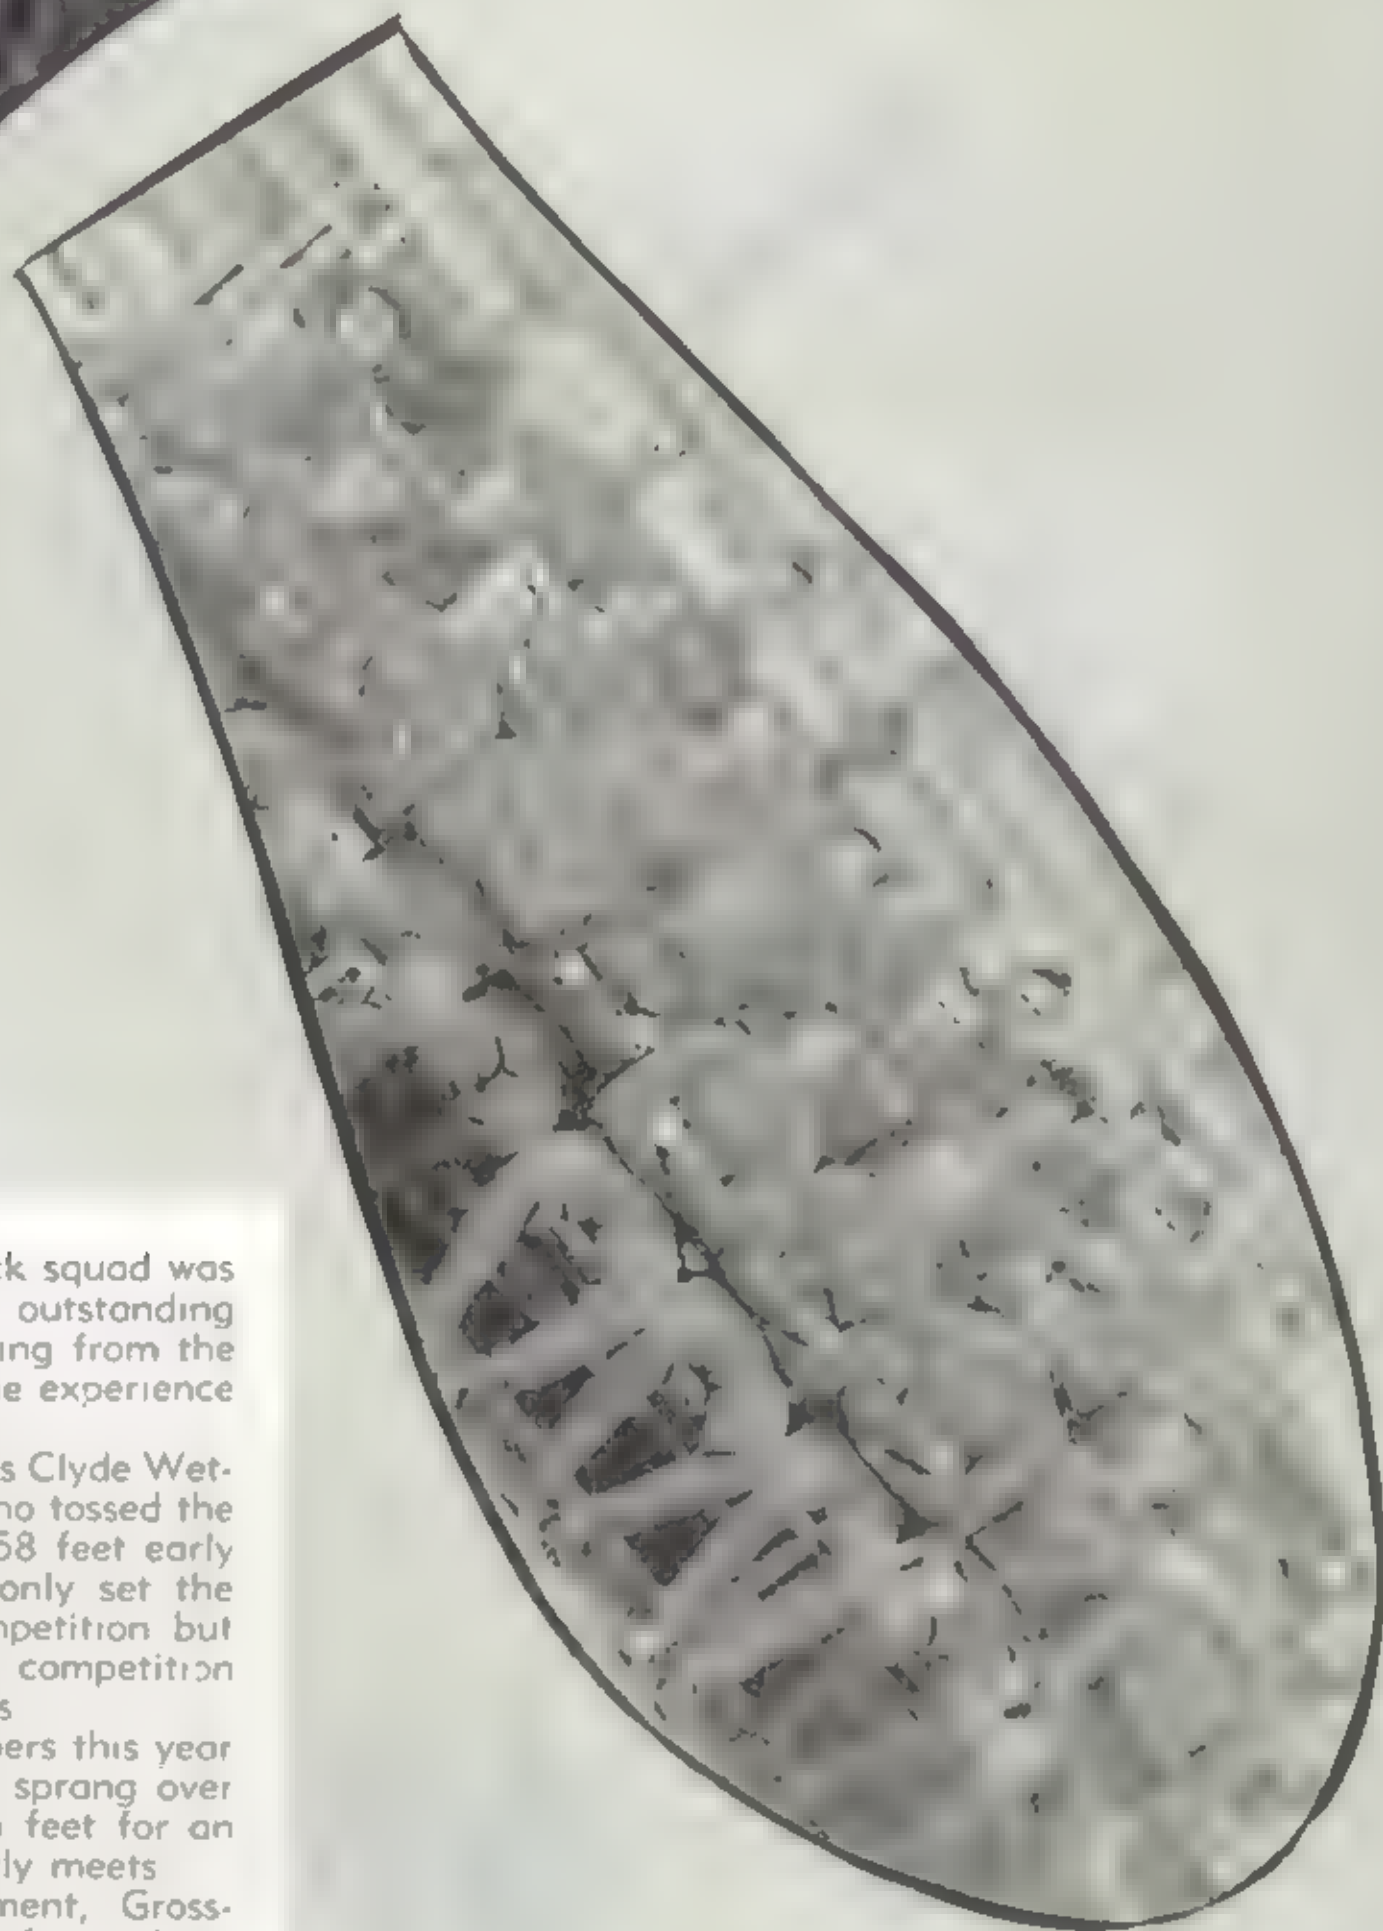

Having shaped into one of the greatest baseball squads ever to hit the Foothillers' diamond, the 1951 team copped the S C I F Championship, finishing off Santa Ana in the opener 5 to 2, dumping El Monte 9 to 5 in the semi-finals. The Grossmonters went into the finals against the Compton Torbables with an eleven win, one loss record

Ray Preston turned in a top-notch two-hit performance to win the Southern California Championship 5 to 0

Success: The 1951 Grossmonters won the S C I F Championship by defeating Santa Ana 5 to 2 in the opener, El Monte 9 to 5 in the semi-finals, and Compton 11 to 1 in the finals.

*There's a long, long
trail ---*

This year's varsity track squad was placed around certain outstanding athletes who were returning from the 1950 squad and had some experience tucked under their belts

One such individual was Clyde Wetter, stocky shot-putter, who tossed the 12-pound ball well over 58 feet early in the season. He not only set the pace in high school competition but placed first in open competition against college tracksters

Topping the high jumpers this year was Mark Echeverri who sprang over the bar at a height of 6 feet for an outstanding mark for early meets

In the sprint department, Grossmont can boast one of the fastest boys in the city. Bert Kohnhorst ran the hundred-yard dash in an unofficial record time of 10 seconds flat to win the century against Kearny in the opening City League meet

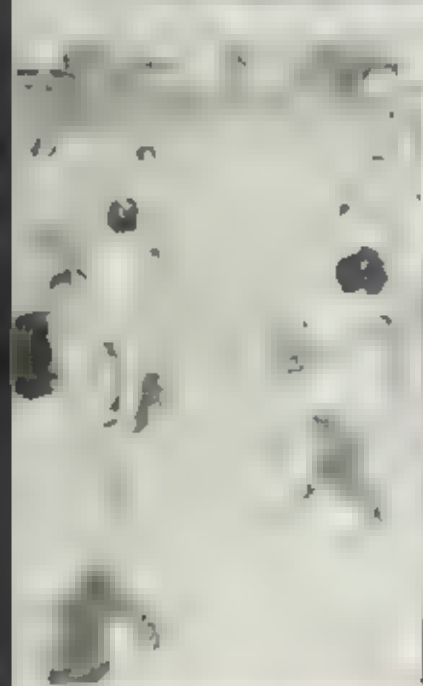

Heading this year's B cindermen was shot putter Dick Barnes. By the time the annual went to press, Dick had lobbed the ten-pound pellet a distance of 49 feet.

Playing a large part in this year's Bee victories were three outstanding athletes. They are Dick Barnes, George Padilla, and Gerald Geyer, a freshman and all-around track prospect.

The Cees have had a winning team for the past few years and this year was no exception as the lighties started off their season with their third straight victory in the San Diego Relays.

President Roberta McCain
 Vice-Pres. Pat McCain
 Secretary Virginia Olds
 Treasurer Bob Dufford
 Sponsor Mr. Ramsey

Latin for "Green Bugs," this name gives teachers and students alike trouble when it comes to pronouncing it. This is another one of the Biological clubs up here. An exciting initiation left enough members to warrant field trips to the Natural Museum of History, Palomar Observatory, and their annual Borrego desert trip

CHEMISTRY CLUB

Officers

President Elmo Parker
 Vice-Pres. Ralph Peterson
 Secretary Bettye Richardson
 Treasurer Terry Lauritsen
 Sponsor Mr. Brobst

Sponsoring a talent assembly brought better understanding to the Chemistry Club this year. They thoughtfully fire-proofed the Christmas costumes and were greatly appreciated by participants. During that time you could hear strains of "I Don't Want to Set the World on Fire." They visited and investigated many places around the city. Included was a trip to the Police Crime Laboratory

LATIN CLUB

Officers

President..... Tony Fuller
Vice-Pres. Gary Underhill,
Louise Quist
Secretary Donna Zaizer,
Arlie Schriefer
Treasurer..... Loretta Deeds

Students who are interested in Latin meet regularly to engage in activities connected with Roman life and language. The members perform Latin plays and also have social activities. This year they gave a Christmas basket. Each year they have the "Roman Banquet" and traditionally the first year students are slaves to the upper classman

PAN AMERICAN CLUB

Officers

President Neils Christiansen
Vice-Pres. Lela Tucker
Secretary Pat Suttner
Treasurer..... Joan Butterworth

The purpose of the Pan Am is to promote friendship and greater understanding between ourselves and our neighbors south of the border. The biggest social project of the year is the formal Pan American Ball, over which Barbara Porter reigned as queen

ART CLUB

Officers

President John Watson
Vice-Pres. John McNamara
Secretary Shirley Jane Rosese
Sponsor Mrs. Reed

Seeking to learn more about their favored subject, these students have broadened their field through wood and soap carving, decorating vases, and frequently visiting the Art Gallery's of San Diego. Assistance in awarding the art scholarship comes from the club

JUNIOR STATESMEN

Officers

President Betty Hale
Vice-Pres. Mike Tuve
Secretary Pat Suttner
Treasurer Gil Newton
Sponsor Dubow

Hoping to create more intelligent voters for the future, the Junior Statesmen work under the slogan "Make Democracy Work." The Grossmont chapter sponsored the Faculty Debate, held a welcome dinner and initiation, went to superior court, attended a union meeting, and visited the City Council. Representatives went to the legislative conventions in Sacramento and Long Beach

SCHUBERT CLUB

Officers

President Gail Wilson
Vice-Pres. Doris Alderman
Secretary Sally Watson

As a classical appreciation group the members play piano, viola, violin, and other instruments, and sing. Membership is decided at spring try-outs. The purpose of the Schubert Club is to stimulate a further love of music by informal recitals by members

FOOTHILLER HORIZON

Open to Freshmen and Sophomore girls. This club is the upper division of Camp Fire Girls. At this time we were unable to get the officers names or their activities

BLADE AND EDGE

Officers

President Lola Mae Anderson
 Vice-Pres. Nancy McArthur
 Secretary — Marlen Alban
 Treasurer Jim Phillips

Without sleet and snow to aid them, these members had to rely on the artificial ice at Glacier Gardens and the strains of the "Skaters Waltz" to get them in the mood for their weekly sessions. Highlighting their other activities for the year was a dance and snow party

DIVOT DIGGERS GOLF CLUB

Officers

Secretary Norma Wallace
 Sponsor Miss Jane Trude

This is one of the newly formed clubs. This year to promote more interest in a new sport, some girls with the aid of Miss Trude went to work. They planned matches and worked up good competition. We hope they succeed in building up interest in golf

HI-C BIBLE CLUB

Officers

President Bob Manning
 Vice-Pres. Doreen Thomas
 Secretary Loretta Deeds
 Treasurer Carolyn Dyer

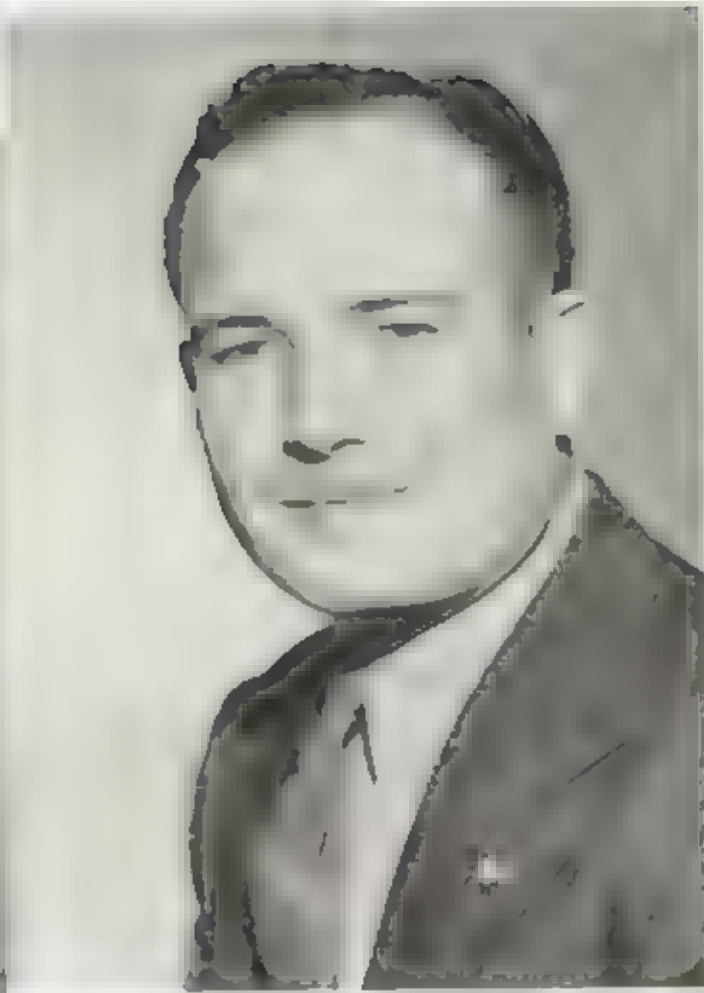

The purpose of Hi-C is to promote Christian ideals in the live's of Grossmont students. There are weekly interdenominational meetings which consists of a short inspirational prayer and a guest speaker. Under the able leadership of Mary Lou Lefflers and Bob Manning the club has achieved many goals
